

# HAPPY HEARTS AT EVERGREEN PLACE

At Rolling Green Village, we offer a half-day stay that lets your loved one try out our memory care neighborhood to see if it's a good fit. They'll make friends, enjoy specially designed activities, and meet our staff, easing the transition of a possible future move.

Meanwhile, you can relax and catch up with other responsibilities knowing your loved one is comfortable and well cared for. We're the only senior living community in Greenville that offers Heartfelt Connections – A Memory Care Program®. Our staff is specially trained in the challenges of memory loss and promoting each person's physical and emotional well-being.
